This low-maintenance Californian bungalow (c1925) is a long-held family home ready to meet the expectations of a family who just want to move in and enjoy comfortable, renovated spaces.

Baltic pine floors, high ceilings and fresh, neutral tones create elegant interiors. Three bedrooms (BRs) share two bathrooms; the newest one with skylight, oversized shower and an adjoining laundry.

Two living areas include a central lounge and an extended rear open-plan kitchen, dining and family room. The updated kitchen sports Technika stainless-steel appliances and a walk-in pantry.

Soaked in natural light, the large open-plan living area has french doors to a full-width deck. Designed for all year
