3 1 2

This immaculately maintained post-war cream brick house will instantly enchant you with its mid-century charisma. Starting with the bevelled glass front door, refreshed interiors with newly polished hardwood floors and a cream palette complement the refined original features. High ceilings with curvy cornices, casement windows, wall sconces, and original timber doors and joinery are the picture of well-preserved elegance. The stunning original kitchen and bathroom have classic retro appeal. Generous spaces are found throughout. Three large double bedrooms (two with BIRs) are inviting while two separate living areas suit a modern lifestyle. The front lounge and rear kitchen/meals both have heating/cooling units. Out the back, a covered alfresco setting looks out to a secure back garden. A laundry with WC provides additional storage
