Classic '50s charm meets renovated comfort at this accomplished single-storey residence. Great period character with immaculate timber features throughout, sliding glass doors and original Tasmanian oak floors and cornices make for a house oozing charisma, while a comprehensive renovation leaves nothing left to do. Thoughtful and well-finished updates include a kitchen with stainless-steel appliances, a fully tiled bathroom with stunning marble-topped timber vanity, generous BIRs in all three bedrooms, a separate laundry, ducted heating and evaporative cooling. Well-screened and secure front and back gardens with auto gates to an oversized single garage (and extra driveway parking) create a private, leafy domain for kids to enjoy safely. Red-brick paving, a garden shed and potential workshop space are great additions. With
