3 2 1

For comfortable, light-filled and stylish family living, this immaculately presented and maintained home will immediately impress.

Stunning interiors include a north-facing lounge and an open-plan living area with a curved wall of glass overlooking wraparound gardens. The floorplan is perfectly zoned for family life; the large master bedroom (WIR & ensuite) soaks up the sun at the front while two further bedrooms (BIRs) share a family bathroom at the rear.

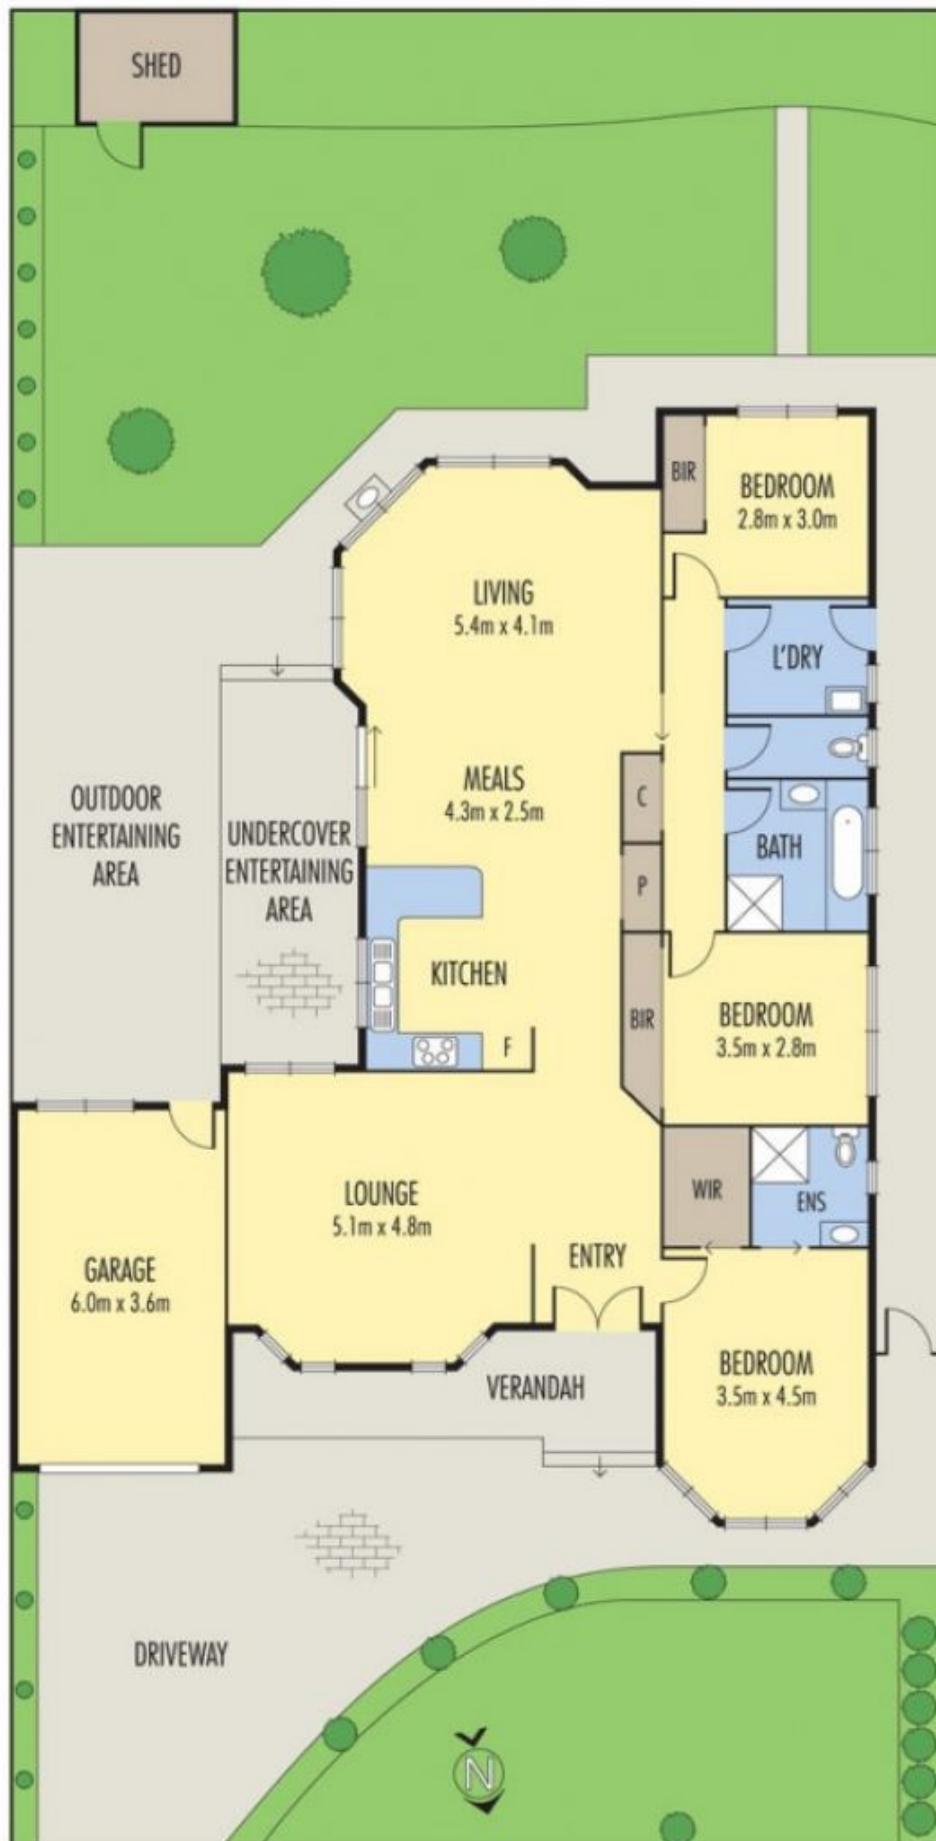

A striking black and white colour scheme provides great contrast in the kitchen that opens out to a covered terrace - the ideal spot for your morning coffee. Fruit trees and a vegie garden are well established in the generous backyard.
