3 2 2

Nestled in a tiny cul-de-sac on an allotment measuring approx. 860sqm, this homestead-style, brick house is all about family living. Polished floors, exposed brick walls and a big, open fireplace make it immediately feel like home. All three bedrooms have built-in wardrobes (main with ensuite) whilst at the heart of the floor-plan the open kitchen, meals and family area creates room to spread out. With garden views through all windows, the lounge and dining room opens out to a huge entertainers' terrace that's covered and semi-enclosed for use in rain, hail or shine. Child-friendly gardens wrap around the house, and the backyard adds old-fashioned charms with fruit trees and vegetable patches. Features include a lock-up double garage, water tank, laundry, walk-in pantry, ducted heating, reverse cycle heat/cool, drapes and blinds.
