

1/145 Bell Street COBURG VIC

2 2 1

A stunning example of new age inner-city living, this double level townhouse delivers modern day comfort and convenience.

Cleverly designed, requiring very little to no maintenance, with the ground floor comprising a bedroom with en suite, laundry and internal access to a remote garage. Heading upstairs, you will be greeted by a large family room with gorgeous floorboards underfoot, adjoined by a gourmet kitchen with Caesarstone bench tops, Bosch stainless steel appliances.

You will also find the generous sized second bedroom, designer bathroom and not to forget the balcony with ample room for outdoor entertaining.

Split system heating and cooling in every room and camera intercom further add to the property's appeal where it is

Type : Townhouse
