

21 Saunders Street COBURG VIC

3 1 3

Carefully balancing everything we adore about the Californian Bungalow with stylish contemporary enhancements, this delightful three bedroom single-level home provides young families and investors with a sought-out address surrounded by schools, parks and easy access to CityLink. Integrating a spacious open plan conversion saturated with natural sunlight, it's the seamless transition between indoor and outdoor entertaining that prioritises a relaxed lifestyle. Home chefs rejoice with the modern kitchen well-appointed in quality Bosch/Smeg appliances including dishwasher, freestanding island and plentiful two-tone cabinetry. The airy meals/family domain boasts both wood fire and gas heaters, as it flows to a decked alfresco featuring an outdoor kitchen overlooking the established backyard with rear ROW potential. Restful carpeted bedrooms (one with BIRs and one with split system unit) are serviced by the bright tiled central
